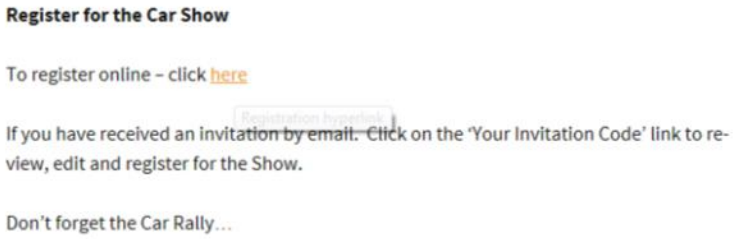
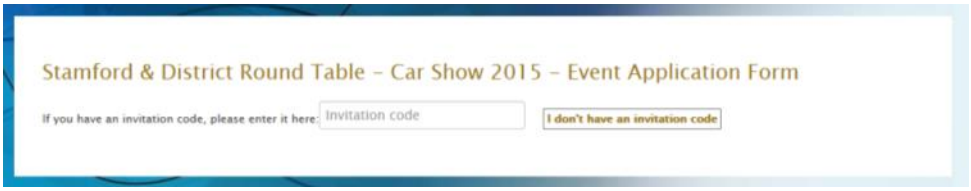
How to register on-line for the Stamford Car Show

This guide assumes that you do not have an Invitation Code and you are registering for the first time

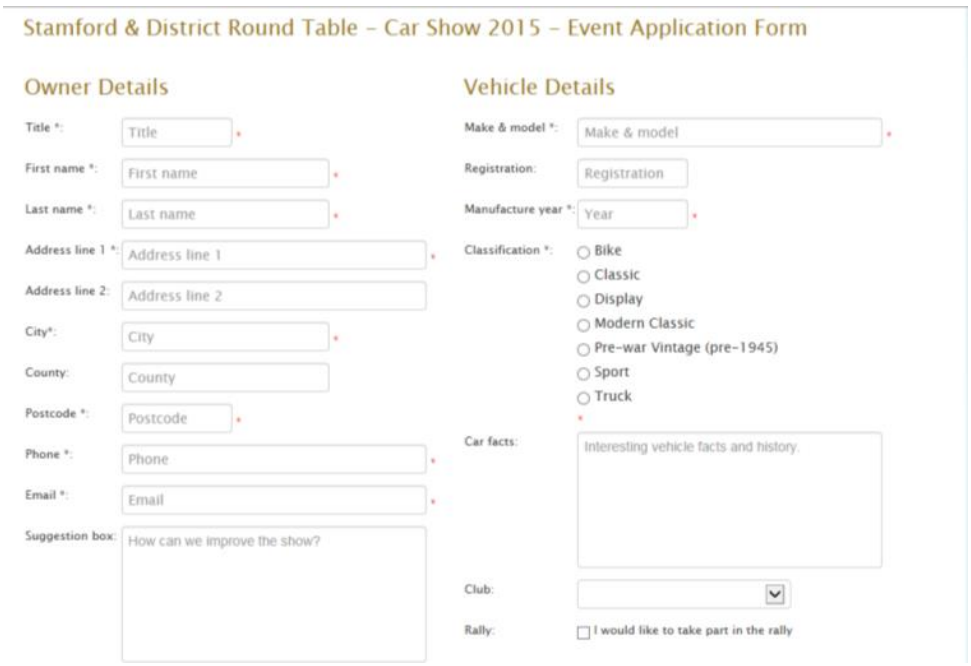
1. Once you have found www.stamfordcarshow.co.uk then find the section entitled *Register for the Car Show*
2. Click on the *Click here* to register for the Show



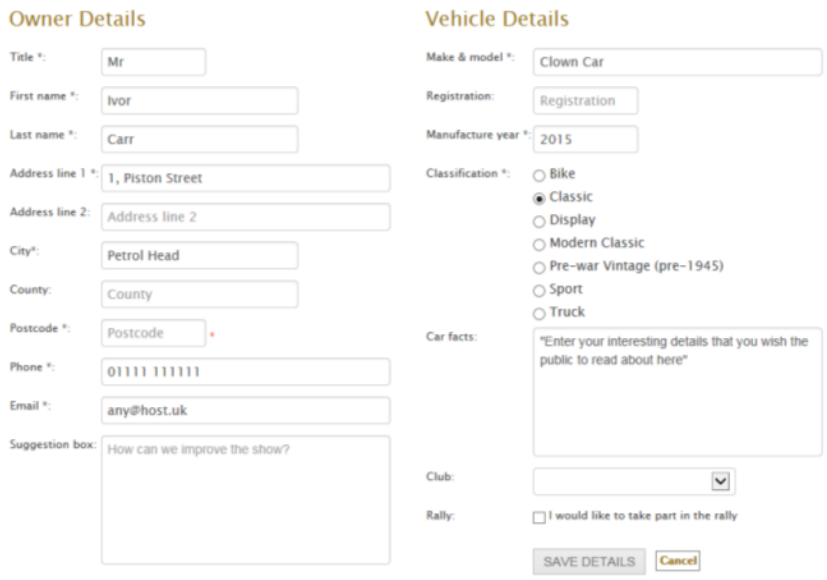
3. You will then see a page looking like the picture below



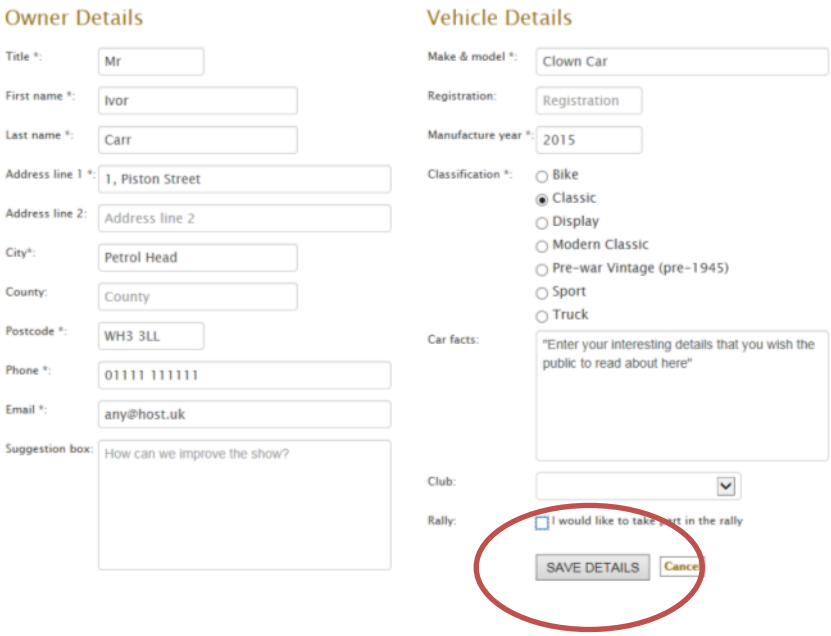
4. Assuming you do NOT have an Invitation Code, click on the icon, *I do not have an invitation code*
5. You will then see a page looking like the picture below



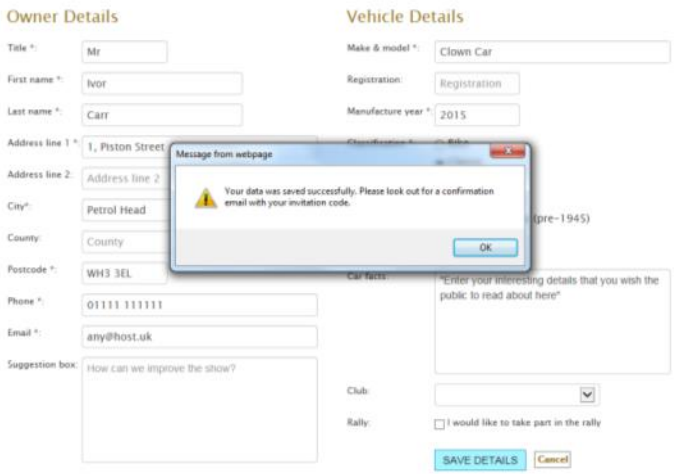
6. Fill out the detail fields as set out in the example below. All the field marked with an asterisk (*) are mandatory



7. In the example above, the postcode is not filled in. The SAVE DETAILS icon at the bottom of the screen is grey and cannot be clicked
8. By entering the postcode to complete all the mandatory fields, the *SAVE DETAILS* icon appears darker, and can be clicked, see below



9. You will then see a confirmation window appear – see the picture below. Click ok. You can then close your window and your registration is saved.



10. You will then receive a confirmation email into the inbox of the email address you entered
11. You can now close the window
